

CE CERTIFICATE OF CONFORMITY

INJECTA S.R.L. declares that these items:

- ⇒ Electronic solenoid dosing pumps in plastic and/or other metallic enclosure; AT.BX, AT.BL, AT.PR, AT.AM, AT.BT, AT.AT, AT.MT
- ⇒ Peristaltic pumps driver by single-phase synchronous electric motor or DC motor, having proportional, adjustable or constant flow rate;
- ⇒ Electrical mixer, driver by AC single-phase or three-phase motors;
- ⇒ Piston and/or diaphragm electrical metering pumps, driven by single-phase or three-phase AC electric motor;
- ⇒ Electronic instruments to control dosing processes, dosing equipments alarm displays (water meter);
- ⇒ Dosing system and equipments for process control and dosing equipment drive.

Depending on their own specific appliances, are compliant with the essential requirements (if applicable) of the last release of these European Directives,

- ⇒ **2004/108/EEC** **Electromagnetic Compatibility (EMC)**
- ⇒ **2006/42/EEC** **Machinery**
- ⇒ **2008/768/EEC** **Common Framework for the marketing of products**
- ⇒ **2006/95/EEC** **Low Voltage**
- ⇒ **2002/95/EEC** **Rohs**

Relating to these European Harmonized Standards:
